MYSORE CITY IMPROVEMENT TRUST BOARD. 2

Report to accompany the estimate for Rs.2,300/- for improving the storm water drain in Nrranjanraj Urs Garden, Chamundi Extension, Mysore

The main storm water drain in Chamundi Extension, beyond the Silk Factory is very irregular being wide in some places and narrow at others, and the bed has no proper slope During the heavy rains the sides get flooded and the water rushes towards the buildings Proposals have already been submitted for building a pucca masonry drain

The buildings are speedily cropping up in this area, hence it is quite necessary to set right the irregular drain which is very shallow and incapable of taking discharge from the above The rates provided are as per current schedule In view of the urgency of the work, quotations have been called for in anticipation of sanction. Early sanction to the estimate is requested
